Sir:

**INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(b)**

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicant brings to the attention of the Examiner the listed document on the attached PTO SB/08 Form. This Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits for the above-referenced application.

A copy of the listed non-patent literature document is attached.

Applicant respectfully requests that the Examiner consider the listed document and indicate that it was considered by making an appropriate notation on the attached form.

Applicant provides an International Preliminary Report on Patentability and Written Opinion issued by the International Bureau of WIPO on October 16, 2007, in a counterpart International application. The Written Opinion cites and discusses U.S. Patent Publication No. US 2004/0135886 A1. Applicant notes that this U.S. publication was cited with the Information Disclosure Statement filed September 21, 2006. Since the U.S. patent publication has already been cited, it is not listed on the attached Form.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed document is material or constitutes "prior art." If the Examiner applies the document as prior art against any claim in the application and Applicant determines that the cited document does not constitute "prior art" under United States law, Applicant reserves the right to present to the U.S. Patent and Trademark Office the relevant facts and law regarding the appropriate status of the document.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed document, should the document be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to Deposit Account 06-0916.

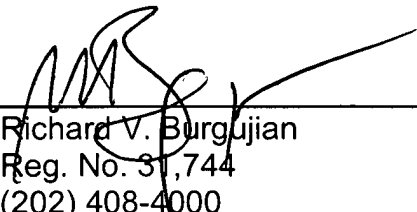

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,  
GARRETT & DUNNER, L.L.P.
